Job Fairs

Participation in job fair activities--

University of Northern Colorado Spring Job and Internship Fair—February 20, 2009

University of Northern Colorado Fall Job Fair—October 13, 2009

KUNC attended both events, staffing a table where information about careers in public broadcasting was provided; recruitment of interns took place, and gathering of resumes and applications for future employment opportunities were received.

Participants in the fairs included General Manager Neil Best, Content Director Kirk Mowers, Music Director Kyle Dyas, Director of Finance Jamie Wood, and Administrative Assistant Ryan Thompson.

Mountain States Employers Council

Community Radio for Northern Colorado (CRMC) is a member of the Mountain States Employers Council and senior management team members receive on-going training through this organization to assure equal employment opportunity procedures and opportunities are adhered to in the hiring process.

Position Postings

All positions posted by CRNC are posted on the KUNC website which receives thousands of visits on a monthly basis. Additionally, every position posted is also publicized in a variety of print and web-based publications.

Internships

CRNC also welcomes the opportunity to work with students proving internships to area college programs and high school programs. During the reporting period covered by this report KUNC provided internship opportunities to the following students:

Baindu Kallon, University High School, News Department
Reeves Richards, University of Northern Colorado, Music Department

American Association for the Advancement of Science

Since 1981 KUNC has participated in the American Association for the Advancement of Science Mass Media Science & Engineering Fellows Program. The 10-week summer program places graduate and post-graduate level science, engineering and mathematics students at media organizations nationwide. Fellows at KUNC work as reporters and production assistants to develop the tools and know-how to translate the work of their fellow scientists so it is understood by the general public.

During the reporting period covered by this report KUNC provided a Fellow opportunity to Erika Schielke.

College and High School Visitation

Professional staff members of CRNC routinely present information about careers in public broadcasting to journalism and communications classes at the University of Northern Colorado, Aims Community College, and a variety of high school classes and career days.

During the reporting period covered by this report KUNC staff members visited classes and career days at Aims Community College, the University of Northern Colorado, and University of Colorado at Boulder. Staff members participating in this activity included General Manager Neil Best, News Director Brian Larson, and Music Host Wendy Wham and reporter Kirk Siegler.
